### **PHA Plans**

## U.S. Department of Housing and Urban Development

Office of Public and Indian Housing

OMB No. 2577-0226 (exp 05/31/2006)

Streamlined 5-Year/Annual Version

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

## Streamlined 5-Year Plan for Fiscal Years 2005 - 2009 Streamlined Annual Plan for Fiscal Year 2005\_\_\_

NOTE: This PHA Plan template (HUD-50075-SA) is to be completed in accordance with instructions contained in previous Notices PIH 99-33 (HA), 99-51 (HA), 2000-22 (HA), 2000-36 (HA), 2000-43 (HA), 2001-4 (HA), 2001-26 (HA), 2003-7 (HA), and any related notices HUD may subsequently issue. Full reporting for each component listed in the streamlined Annual Plan submitted with the 5-year plan is required.

### **B.** Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Rock Springs Housing Authority plans to partner with the Wyoming Housing Network Incorporated to explore the possibilities of adding additional housing.

### (1) Strategies

Need: Shortage of affordable housing for all eligible populations

## Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select al	i that apply
	Employ effective maintenance and management policies to minimize the number of public housing units off-line
	Reduce turnover time for vacated public housing units
	Reduce time to renovate public housing units  Seek replacement of public housing units lost to the inventory through mixed finance development
	Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
	Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
	Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
	Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
	Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants
	to increase owner acceptance of program  Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
	Other (list below)
	gy 2: Increase the number of affordable housing units by:
Select al	l that apply
	Apply for additional section 8 units should they become available Leverage affordable housing resources in the community through the creation of mixed -
finance	e housing
	Pursue housing resources other than public housing or Section 8 tenant-based assistance.
	Other: (list below)
Need:	Specific Family Types: Families at or below 30% of median

	gy 1: Target available assistance to families at or below 30 % of AMI
Select al	ll that apply
	Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
	Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
$\boxtimes$	Employ admissions preferences aimed at families with economic hardships Adopt rent policies to support and encourage work Other: (list below)
Need:	Specific Family Types: Families at or below 50% of median
Strates	gy 1: Target available assistance to families at or below 50% of AMI
	Il that apply
	Employ admissions preferences aimed at families who are working Adopt rent policies to support and encourage work Other: (list below)
Need:	Specific Family Types: The Elderly
Strates	gy 1: Target available assistance to the elderly:
	Il that apply
	Seek designation of public housing for the elderly Apply for special-purpose vouchers targeted to the elderly, should they become available Other: (list below)
Need:	Specific Family Types: Families with Disabilities
	gy 1: Target available assistance to Families with Disabilities:  Il that apply
$\boxtimes$	Seek designation of public housing for families with disabilities  Carry out the modifications needed in public housing based on the section 504 Needs
	Assessment for Public Housing Apply for special-purpose vouchers targeted to families with disabilities, should they
	The state of the s
	become available Affirmatively market to local non-profit agencies that assist families with disabilities Other: (list below)

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities

	with disproportionate needs:
Select if	f applicable applicable
	Affirmatively market to races/ethnicities shown to have disproportionate housing needs Other: (list below)
	gy 2: Conduct activities to affirmatively further fair housing
Select al	ll that apply
	Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
	Market the section 8 program to owners outside of areas of poverty /minority concentrations
	Other: (list below)
Other	Housing Needs & Strategies: (list needs and strategies below)
	easons for Selecting Strategies factors listed below, select all that influenced the PHA's selection of the strategies it will:
	Funding constraints Staffing constraints Limited availability of sites for assisted housing Extent to which particular housing needs are met by other organizations in the community Evidence of housing needs as demonstrated in the Consolidated Plan and other
	information available to the PHA Influence of the housing market on PHA programs Community priorities regarding housing assistance Results of consultation with local or state government
	Results of consultation with residents and the Resident Advisory Board Results of consultation with advocacy groups Other: (list below)

### 2. Statement of Financial Resources

[24 CFR Part 903.12 (b), 903.7 (c)]

List on the following table the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

Fin	nancial Resources:	
Plann	ed Sources and Uses

Exemptions: PHAs that do not administer public housing are not required to complete sub-component 4A.

### (1) Income Based Rent Policies

Describe the PHA's income based rent setting policy/ies for public housing using, including discretionary (that is, not required by statute or regulation) income disregards and exclusions, in the appropriate spaces below.

a. Use of discretionary policies: (select one of the following two)
The PHA will not employ any discretionary rent-setting policies for income-based rent in public housing. Income-based rents are set at the higher of 30% of adjusted monthly income, 10% of unadjusted monthly income, the welfare rent, or minimum rent (less HUD mandatory deductions and exclusions). (If selected, skip to sub-component (2))  The PHA employs discretionary policies for determining income-based rent (If selected, continue to question b.)
b. Minimum Rent
1. What amount best reflects the PHA's minimum rent? (select one)  \$0 \$1-\$25 \$26-\$50
2. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?
3. If yes to question 2, list these policies below: Occupancy Policies c. Rents set at less than 30% of adjusted income
1. Yes No: Does the PHA plan to charge rents at a fixed amount or percentage less than 30% of adjusted income?
2. If yes to above, list the amounts or percentages charged and the circumstances under which these will be used below:
d. Which of the discretionary (optional) deductions and/or exclusions policies does the PHA plan to employ (select all that apply)  For the earned income of a previously unemployed household member  For increases in earned income  Fixed amount (other than general rent-setting policy)  If yes, state amount/s and circumstances below:
Fixed percentage (other than general rent-setting policy)

### If yes, state percentage/s and circumstances below:

	For household heads For other family members For transportation expenses For the non-reimbursed medical expenses of non-disabled or non-elderly families Other (describe below)
e. Ce	iling rents
	to you have ceiling rents? (rents set at a level lower than 30% of adjusted income) (select ne)

### 9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

## A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009.

#### ATTACHMENT A.

#### PROGRESS IN MEETING 5-YEAR MISSION AND GOALS

The Rock Springs Housing Authority is continuing to work towards meeting the goals set forth in the 2000 - 2004 Capital Fund Program 5-Year Action Plan. The following information describes the work done since the implementation of the 5-Year Plan, for the years of 2000 through 2004.

To work towards fulfilling our mission of promoting adequate and affordable housing in a suitable living environment free from discrimination, in 2000 and 2001, the Housing Authority amended lease agreements, grievance policies, admission and occupancy policies, and the administrative plan. A pet policy was established, and Memorandum's of Agreement were entered into with the Rock Springs Police Department and the Department of Family Services. The Housing Authority assisted and worked with the Resident Council in securing a ROSS Grant

for the improvement and operation of the Resident Council's Recycling facility and operation.

The Housing Authority has made significant improvements working towards making our public housing an attractive and suitable living environment. With our 2000 Capital Funds we completed electrical and plumbing work, painted apartments, replaced doors, replaced furnaces, improved our parking lots, put in a bicycle path, repaired roofs, replace gutters, replaced concrete, fenced a playground, and hired seasonal maintenance personnel to help maintain the grounds, as well as other day to day maintenance work that helps the appearance of our housing. Resident Managers were hired, and resident and staff training was completed.

Again with 2001 Capital Funds we made significant progress toward meeting our goals and mission of the Five-Year Plan. Funding for a maintenance person was continued. The Resident Manager Program continued. A Resident Manager at each site is paid a stipend to perform duties under an agreement with the Housing Authority, to promote activities of the Resident Council, act as a contact for residents, monitor the grounds, and general activities of the residents in meeting lease requirements. Funding for resident and staff training were continued. The first phase of concrete work was completed, and landscaping work was started at all of the sites. A major improvement was the installation of carpet in all units.

With 2002 Capital Funds the Housing Authority continued the funding for resident and staff training, a maintenance person, Resident Managers, and funded a Resident Coordinator Position to work with the Resident Council coordinating tenant involvement and activities, and overseeing the operation of the Resident Council Recycling Center, and providing work training for residents at the Center. Funds were obligated for architectural and engineering services for the Thompson Heights siding project, and for the construction of the project. Furnace installation at Thompson was completed, and carbon dioxide detectors were placed at all sites, in all units. Work continued on concrete replacement, landscaping and irrigation, and the sealing of parking lots.

Again in 2003 Capital Funds were used to fulfill the mission, and meet the goals of the Housing Authority. Funding for the maintenance position, and Resident Coordinator, and resident and staff training were continued. Funds will be used for architectural and engineering, and construction of the Century Siding Project. Concrete, landscaping, and irrigation work, roofing repair, and plumbing fixture replacement, and linoleum replacement work will be continued. A copier was purchased for the Housing Authority administration.

In December 2003 the installation of new siding, rain gutters, downspouts and window repair at Thompson Heights was completed. Landscaping improvements included the planting of trees at Thompson Heights Park/Playground in the late summer of 2004. 2004 saw the completion of the renovation at Century Square with siding, rain gutters, downspouts, painting of the entrance doors, and window repair and realignment.

The 2004 Capital Fund Program continues funding for maintenance personnel, resident managers, resident and staff training, property insurance, funding for plumbing, tile, and countertops. The Plaza roof replacement will begin in the summer of 2005. We are holding on the replacement of computers for administration until the price for the Plaza roof project is known. The funds may be needed for the roof repair.

### **B.** Criteria for Substantial Deviations and Significant Amendments

#### (1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

### b. Significant Amendment or Modification to the Annual Plan

#### ATTACHMENT B CRITERIA FOR SUBSTANTIAL DEVIATION AND SIGNIFICANT AMENDMENTS

The Rock Springs Housing Authority determines the definition of a Substantial Deviation and Significant Amendment to be as follows:

- a. Changes to rent or admissions policies or organization of the waiting list:
- b. Additions or non-emergency work items or change in the use of replacement reserve funds under the Capital Fund Program;
- c. Implementation of a drug elimination program;
- d. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities. An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

## C. Other Information [24 CFR Part 903.13, 903.15]

#### ATTACHMENT C OTHER INFORMATION REQUESTED BY HUD RESIDENT ADVISORY BOARD CONSULTATION PROCESS

Two separate meetings were held by the Housing Authority to encourage input for the Streamlined 5-Year Plan for Fiscal Years 2005-2009 and the Streamlined Annual Plan for Fiscal Year 2005. One on February 28, 2005 at 4:00 p.m., advertised as a Public Hearing for input into the Streamlined 5-Year Plan for Fiscal Years 2005-2009 and Streamlined Annual Plan for Fiscal Year 2005 and Budget, and one on February 21, 2005 in conjunction with a regularly scheduled Resident Council Meeting. The meetings were held at the Housing Office located at 233 C Street, Rock Springs, Wyoming.

At both meetings attendees were informed that the amount of anticipated funding was \$217,744 for each of the years in the Streamlined 5 Year Plan and 2005 Streamlined Annual Plan however, that amount was subject to change pending final approval. They were informed that the funds were budgeted by major category as follows:

#### Plan Year 2005

Operations	101,000.00
Management Improvements	1,000.00
Fees and Costs A&E	1,000.00
Dwelling Structure	41,454.00
Non-Dwelling Equipment	73,290.00

### And by Project Area as follows:

Maintenance Staff	50,000.00
Insurance Property	51,000.00
Management Improvements	1,000.00
A&E Services	6,000.00
Roof Replacement (Plaza)	101,454.00

Boiler – Gobel 5,000.00 Fire Extinguishers 3,290.00

Attendees were asked for input on the policies, administration and maintenance operations, budget, planned improvements, or any issue that they may want to discuss. The urgency of the boiler replacement at Gobel was discussed. The attendees were informed that a Grant had been submitted to the Wyoming Community Development Authority for the boiler replacement and interior renovations at Gobel, but if the grant application was not successful then funds had to be committed in the 2005 Annual Plan to cover the replacement. If the WCDA Grant is awarded then the \$70,000.00 will be reallocated in part for additional funds for the Plaza Roof Project and the remainder to exterior security lighting at Plaza. The fire extinguishers need to be replaced in August of 2005 to meet compliance. A new requirement has been issued and the yearly inspection of the existing extinguishers will not meet compliance.

Residents expressed their satisfaction with the re-siding project of Century completed this year, and the visual improvement the project made to the complex. Also noted was the planting of trees at Thompson Heights Park and the nice addition it will make to the Park making the Park more pleasant for use and enjoyment.

The following information was provided regarding Plan Years 2006, 2007, 2008, and 2009, by major category and project area.

	2006	2007	2008	2009
Major Category				
Operations	122,900	129,400	136,900	138,400
Management				
Improvements	2,000	2,000	2,000	2,000
Fees and Costs	10,000	1,000	1,000	1,000
Site Improvements	35,000	5,000	9,844	15,000
Dwelling Structures	16,000	50,344	58,000	52,000
Dwelling Equipment	3,000	16,000	8,000	7,344
Non-Dwelling Struct	14,500	4,000	2,000	2,000
Non-Dwelling Equip	14,344	10,000		

### **Project Area**

In each of the years monies are allocated in Operations for Maintenance Staff, Resident Managers, Tenmast Support which is the software need to do the financial and other necessary reporting to HUD and as well as meeting audit and audit reporting requirements, and the property insurance on the complex buildings and the administration building. Monies are also allocated each year for Resident and Staff Training, and A& Engineering Services needed for the complex improvements. Monies are allocated each year for irrigation repair and replacement, concrete repair, and paving crack seal of the parking lots. In 2006 monies are allocated for the security lighting at Plaza, a problem with the underground wires has been discovered that may lead to the failure of the entire lighting system. Other planned improvements and renovations by year are as follows: 2006 - interior painting, countertop and appliance replacement, playground equipment, a maintenance building for storage of machinery, a power washer to clean siding, and computers for administration. 2007 – interior painting, replacement of floor linoleum, cabinet lights at Plaza, countertops, appliances, and furnaces, playground equipment, and maintenance equipment to include a water pump, air compressor, and a trailer to haul machinery from complex to complex. 2008 – interior painting, floor linoleum, cabinets and lights, countertops, appliances, furnaces, and playgroup equipment. 2009 – interior painting, floor linoleum, cabinets and lights, countertops, bath fixtures & plumbing, appliances, furnaces, and playground equipment.

The Housing Complexes are aging but with the renovations that have been done, and the planned improvements for the next five years they are nice areas to live. It was noted that the exceptional maintenance and upkeep provided by the Maintenance Staff of the Housing Authority also makes a significant difference to the upkeep and appearance of the units.

Also discussed was the lack of available housing eligible under the Housing Choice Voucher Program, (Section 8 Voucher Program). It has become increasingly difficult for persons to find housing under the Voucher Program that meets the guidelines of the program with the 110% Standard. This is caused by a shortage of rental units, both single family units and apartments. The increased activity in the oil and gas industry, and the work force needed to meet the demand of jobs in exploration, drilling, and related services has impacted the availability of rental units.

A discussion also took place regarding the need to increase the fees charged tenants associated with the repair of damage to the units, such as carpet, replacement of screens, doors, and other items that needed to be replaced. The fees have not been increased for a number of years and are not sufficient to cover the associated costs. Attendees were informed of the revised fee structure and agreed that residents that damage their apartments should have to pay the cost of repair plus the cost of labor. The fee schedule was increased to actual costs, not to include a profit from the repairs.

The revised Pet Policy was discussed, the required deposit was changed from \$100.00 to \$150.00, insurance is not required, there was agreement to prohibit some breeds of dogs that are designated as dangerous breeds, limit the size to 20 pounds, and to restrict dogs from playground areas.

Proposed changes to the Admissions and Continued Occupancy Policies discussed were under Section 1V Local Preferences, One (1) point for victims of domestic violence instead of two (2), Section V1 Prohibition of Preference if Applicant Was Evicted For Drug-Related Criminal Activity – number of years of prohibition changed from three (3) to six (6) years; Section X111 Re-certifications and Rent Reviews – A. Re-certification – income exceeding \$50.00 gross per month must be reported to the PHA in the same month that the additional income was received. The attendees agreed with the proposed changes to the policies.

No written comments were received.
